September 2025

THE VIBRANT SPIRIT OF UPCOMING FESTIVALS

Dear Students

October is a month of festivities in India, a time when we come together to celebrate our rich cultural heritage. From the nine nights of Navratri to the triumph of good over evil in Dussehra and the festival of lights, Diwali, each occasion is a reflection of our country's diversity and unity. As you participate in the festivities, remember the values of love, compassion and kindness that these festivals embody. Let the lights of Diwali illuminate your path, the colors of Navratri brighten your spirit and the victory of Dussehra inspire you to stand up for what is right. This Diwali, let's not only light up our homes but also be mindful of our impact on the environment. Let's strive to make our celebrations eco-friendly by using eco-friendly crackers, reducing noise pollution and conserving energy. Let's care for our planet and make conscious choices to reduce our carbon footprint.

As we celebrate, don't forget to balance your festivities with studies - stay focused, complete your assignments and keep up with your reading.

I hope you enjoy these celebrations with your families & friends and that they bring you joy, happiness and cherished memories.

Warm regards

Suman Singh (Subject expert S.Sc)

TRIBUTE TO SARDAR DYAL SINGH MAJITHIA

On our founder, Sardar Dyal Singh Majithia's death anniversary Principal Shalini Narang led a commemorative ceremony with teachers, staff and students. Through prayers, bhajans and floral tributes participants honoured his contributions to education, social reform and humanity, pledging to uphold his values of service, integrity and knowledge.
