

DYAL SINGH PUBLIC SCHOOL

SECTOR 7, KARNAL

MAY MONTH NEWSLETTER

EDITORIAL

Dear Students

Summer vacations are finally here!

It is the time to relax, refresh and create beautiful memories with your loved ones. Visit your relatives, welcome guests warmly at your home so that your social bonds become stronger and more meaningful.

Students, do help your mother in the kitchen and in household work as these are important life skills that will always help you in future.

Make time for outdoor games in the evening when the weather is pleasant as physical activities are essential for a healthy body and mind.

As the weather is extremely hot, take proper care of your health. Keep yourself hydrated, avoid junk food and prefer healthy homemade meals. Stay away from excessive mobile usage and instead develop the habit of reading newspapers, storybooks.

Do not neglect your studies during the holidays. Clear all your academic doubts and prepare well for the Unit Test 1 which will begin soon after the school reopens.

Parents are also requested to spend quality time with their children and encourage healthy habits and positive routines during the vacation.

Wishing you all a joyful, safe, healthy and meaningful summer break.

Warm regards

Dr. Mamta Grover
Coordinator

Labour's Day Special

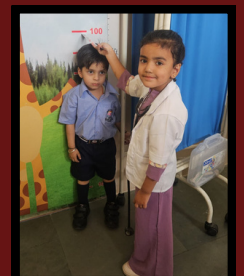

EVERY TASK DESERVES RESPECT AND DIGNITY

On 2nd May 2026 the school organised a Labour's Day Role Reversal Activity to promote respect for all forms of work. Teachers performed the duties of school helpers helping students understand teamwork, cleanliness, discipline, empathy and the dignity of labour through a meaningful and engaging experience.

DIGNITY OF LABOUR IS THE FOUNDATION OF EVERY SOCIETY

To mark Labour Day, the Pre-Primary Wing organised engaging activities for Nursery to Class II students. Through discussions, role plays, card making and matching activities students learnt to appreciate community helpers and developed respect, gratitude, creativity and awareness about the value of every profession.

A MOTHER'S LOVE IS THE HEART OF EVERY HOME

Class III students celebrated Mother's Day with songs, poem recitation, musical acts, ramp walk and dance performances. The event beautifully expressed love and gratitude towards mothers while enhancing students' confidence, teamwork and stage skills. Principal Shalini Narang appreciated the sincere efforts of students, mothers and teachers.

A MOTHER'S LOVE BLOOMS IN EVERY HEART

A Mother's Day Card and Bouquet Making Activity was conducted for Classes IV-V. Students creatively prepared handmade cards and handprint bouquets using decorative materials expressing love and gratitude while enhancing creativity, fine motor skills, confidence and artistic expression.

KIDZ ZONE

CREATIVITY TAKES FLIGHT THROUGH LEARNING

The Swing Making Activity conducted for class II encouraged creativity and hands-on learning. Students enthusiastically designed colourful swings using craft materials like ice cream sticks, strings and cardboard. The activity enhanced imagination, fine motor skills, balance understanding, problem-solving abilities and confidence through innovative design and presentation.

LEARNING THROUGH THE FIVE SENSES

UKG students participated in an engaging Sense Organs activity. Through fun tasks involving sight, sound, smell, taste and touch, children explored the five sense organs, enhancing observation, curiosity, communication, creativity and experiential learning in an enjoyable and interactive manner.

HAPPINESS IS THE BEST MEMORY OF CHILDHOOD

The last working day before summer vacations was joyfully celebrated by Nursery to UKG students. Fun activities, dance, refreshments and colorful decorations created a cheerful atmosphere.

Gleaming Gems

CHAMPIONS ARE MADE WITH COURAGE AND CONSISTENCY

Zoya Ahlawat of Class VII-B brought laurels to the school by securing the Runner-up position in the 'U-12 All India Championship Series' Lawn Tennis Tournament held at New Step Tennis Academy, Karnal.

Ayaan(V-C) and Aryan Singh Rohila (X C) secured the Second position in the Karnal District Under-11 and Under -17 Chess Championship respectively held at Adarsh School ,Karnal.

Displaying remarkable skill and concentration they scored 4 out of 5 points and won a trophy along with a cash prize of ₹800 where as Arpan Kashyap of class IX D bagged the First position in the same competition and received a cash prize of rupees 1000/-.

The Inter-House Chess Competition held on 19 May 2026 showcased students' strategic thinking, concentration and sportsmanship. Participants from Classes III-XII competed enthusiastically. Himalaya House secured First position while Nilgiri and Shivalik Houses shared Second place. Aravali House earned Third position reflecting excellent teamwork and discipline.

EVERY MOVE COUNTS, EVERY STRATEGY SHINES

RISING HIGH, MAKING ASIA PROUD!

Aashi Kashyap has achieved a remarkable milestone by securing the No. 2 ranking in the U-16 Girls category by the Asian Tennis Federation. Competing among players from 48 Asian countries she has made India and the school proud with her extraordinary talent, dedication and determination on the tennis court.

Harsh Sharma won a Gold medal in all India Karate Championship 2026, held from 22nd to 24th May 2026 at the University of Jammu, JK.

DISCIPLINE, COURAGE AND PRECISION BUILD TRUE LEADERS

Twenty-five NCC Air Wing cadets of the school participated in Range Firing Practice on 6 May 2026 at Sainik School, Kunjpura. Organised by No. 2 (HAR) AIR SQN NCC, Karnal, the session enhanced cadets' knowledge of .22 rifles, firing techniques and simulator practice.

SAY YES TO LIFE, NO TO DRUGS

Praheri Club organised a creative writing activity on Drug Awareness for Classes VI to XII . Through creative expressions students highlighted the harmful effects of drugs and promoted healthy, responsible lifestyle choices enhancing awareness and sensitivity.

MUSIC THAT INSPIRES THE SOUL

A team of nine students from Classes VI to XII participated in the Shabad Gayan Competition held at S.B.S. Senior Secondary School on 8th May 2026. Their soulful presentation, teamwork and devotion earned them the First Prize and Running Trophy under the guidance of their mentor Ms. Upma Rajpal.

CREATIVITY TURNS WASTE INTO WONDER

Kunal and Avneet of Class XI participated in the “Best Out of Waste” Competition held at SBS School , Karnal. Showcasing remarkable creativity and environmental awareness through innovative craft items, they secured Second Position while promoting recycling, teamwork, artistic expression and sustainable thinking under the guidance of their teacher Ms. Beenu.

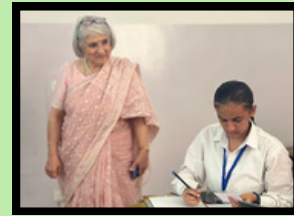

WORDS HAVE THE POWER TO INSPIRE CHANGE

Students of the school participated enthusiastically in a declamation competition held at S.B.S. Senior Secondary School on thought-provoking topics related to education and digital addiction. Shreeya of Class VIII-D secured second prize while Navya of Class X-D received a participation certificate for confident and impactful presentations.

Beyond the classroom.....

DIPLOMACY TODAY, LEADERSHIP TOMORROW

DSPS MUN 1.0, the inaugural Model United Nations conference of the school, was successfully conducted on 14th and 15th May 2026. The conference was formally inaugurated by the Chairperson of the School, Ms. Anita Raina, whose encouraging words inspired delegates to engage meaningfully with global issues and diplomatic discourse.

The event witnessed enthusiastic participation from 134 delegates representing 8 schools from Karnal and Samalkha. Through five engaging committees, students showcased exceptional public speaking, diplomacy, research and problem-solving skills while debating global issues. The conference provided a realistic UN simulation, fostering international awareness, leadership, collaboration and confidence among participants.

The two-day event concluded with a grand Award Ceremony and Cultural Programme graced by the General Manager, Brigadier Randhir Singh, who felicitated the outstanding delegates for their remarkable performances and appreciated the efforts of all participants, organizers and committee members. The event proved to be a memorable learning experience and a significant milestone in the school's journey towards promoting global citizenship and leadership.

LEADERSHIP, CONFIDENCE AND EXCELLENCE DEFINE TRUE ACHIEVERS

The students brought great pride to the school through their outstanding performance in various MUN committees. Gurshan Singh Wahla, delegate of United Kingdom in UNCSW, received a Verbal Mention while Gouransh Jararia, delegate of Germany in UNCSW, secured Verbal Mention and 3rd Position.

Avneet Virk, representing Mamata Banerjee in AIPPM, received a Special Mention. Karman Kaur, as an IP Journalist earned High Commendation (Special Mention). Dishita, delegate of Slovakia in UNGA received a Verbal Mention while Yashasvi representing South Korea in UNGA earned High Commendation. Jeevika, delegate of Mexico in UNGA and Samaria representing Manoj Kumar Jha in AIPPM both secured Special Mentions.

Kunal Singh, from the IP team, won the Best Caricature Award while Paras Bhardwaj received the Best Photographer Award. Veerpratap, representing Yogi Adityanath in AIPPM, was also honoured with a Special Mention. The remarkable achievements reflected the students' confidence, leadership, communication and diplomatic skills.

CONFIDENT LEADERS

EXCEPTIONAL ACHIEVERS

The students brought laurels in the **NELTAS English Language Grand Finale 2026**. Among 244 participants, 3 students secured 3rd Rank, 1 received the Super Performer Award, 15 earned Achiever Awards and many won medals and certificates. The school also received the Best School Award, Principal Ms. Shalini Narang received award for the Best Principal while Ms. Ambika Kapil and Ms. Kadambri were honoured as the best coordinators.

CAREER GUIDANCE TODAY, SUCCESSFUL LEADERS TOMORROW

The school organised a Career Counselling Session for Class XI Humanities and Commerce students. Resource person Mr. Atul Gupta guided students about Management and Law careers, entrance examinations, top institutions, STEAM integration and future opportunities, inspiring informed career planning and confidence.

PRESERVING BIODIVERSITY AND EMPOWERING YOUNG MINDS

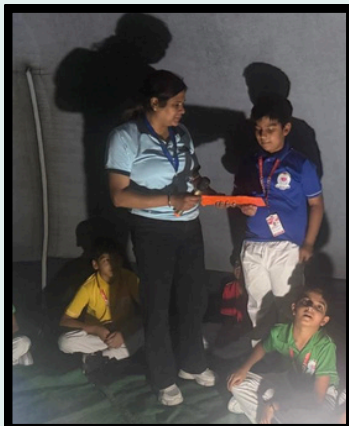

The students of Classes XI and XII (Medical Stream) visited ICAR-NBAGR on 22 May 2026 to participate in educational and creative activities on biodiversity conservation and scientific awareness. Samriti secured 3rd prize in Poster Making, Aarzoo won the Consolation Prize and Yatharth secured Second Prize in the Speech Competition bringing laurels to the school.

INNOVATION BEGINS WHERE CURIOSITY MEETS TECHNOLOGY

The “Young Innovators AI Summer Camp” inspired students of Classes IX and X to explore the fascinating world of Artificial Intelligence. Through interactive sessions on prompt engineering, AI coding and creative AI tools students developed innovation, critical thinking and responsible technology skills under expert guidance from IGNITE INDIA ACADEMY.

EXPLORING THE WONDERS OF THE NIGHT SKY

An exciting Astronomy Night Camp was organised featuring Moon and Saturn observation, constellation identification through planisphere construction, comet-making demonstrations, astronomy documentary screening and a thrilling hydro rocket launch after sunrise. The activities provided students with hands-on STEM learning and deeper understanding of space science under the guidance of their mentors.

Reimagining the Science Classroom

Prepared for Educators and Teacher Trainers

Empowering educators to transform learning through inquiry, innovation, and intelligent technology.

Competency-Based Education Meaningful Assessment Artificial Intelligence Integration

Reimagining Social Science Classrooms

Innovative Strategies for 21st Century Teaching

Project Based Learning

- Real-world problem solving
- Inquiry, collaboration, and creativity
- Student-centered learning experiences

Experiential Learning

- Learning by doing and reflecting
- Heritage walks, surveys, simulations, and field visits
- Connects classroom learning with real life

Art Integration

- Learning through music, theatre, storytelling and visual arts
- Enhances engagement and creativity
- Makes concepts meaningful and memorable

Competency Based Assessment

- Focus on skills and application of knowledge
- Case studies, source-based questions, and projects
- Encourages critical thinking and problem-solving

Computational Thinking and Artificial Intelligence Attended by: Science, Maths, Computer departments and All HODs Date: 28th May 2026

Late to the School Bus Every Morning Riya always misses the bus by 2 minutes.

- Decomposition – Break morning routine into steps: wake up, brush, bath, dress, breakfast, bag
- Pattern Recognition – Breakfast takes longest; bag packing is always last-minute
- Abstraction – Only focus on the bottleneck steps
- Algorithm – Pack bag the night before, eat breakfast while getting dressed
